Today's opponents

Though formed as recently as the summer of 2017 the roots of Beaconsfield Town FC stem from Beaconsfield SYCOB which was founded in 1994 following a merger between Beaconsfield United and Slough Youth Centre Old Boys (hence the "SYCOB" in the Clubs name).

United dated back to 1921 and were themselves a coming together of two local teams whilst Slough Youth Centre formed their first football team in 1938. With Slough Youth Centre Old Boys unable to progress due to a lack of ground provisions and United themselves struggling on and off the field at the time the decision was taken to amalgamate the two clubs and so Beaconsfield SYCOB was born.

Initially playing in the London Spartan Premier Division, and with Fred Deanus as Chairman, Beaconsfield SYCOB chalked up a series of Top Five finishes before finally winning the league in 2000 / 01 under the guidance of Simon Delahunty. However they were refused promotion to the Isthmian League due to some harsh technicalities over the terms of their lease. A further three seasons were spent in the Spartan South Midlands Premier Division before Beaconsfield SYCOB again won the league in 2003 / 04 and this time gained promotion to the Southern Football League (Division One East).

The Rams made solid progress in their early years at Step 4 and over three seasons played in three different leagues – Division 1 East, Division 1 West and finally Division 1 South & West from where they were relegated in 2006 / 07. However the appointment of ex-player Jamie Jarvis, ably assisted by Peter Scott, saw The Rams not only win the Spartan South Midlands Premier Division at the first attempt but also win the Berks & Bucks FA Senior Trophy and the Premier Division League Cup, a fantastic treble of silverware.

Promoted to Division 1 South & West, the club finished a highly creditable fourth place and made the Play Offs before losing out to AFC Totton. Moving to the Southern League Midland Division for 2009 / 10, Beaconsfield SYCOB then went through a succession of managers, players, highs and lows until finishing in bottom place in 2010 / 11. Only a reprieve and a league restructure saved The Rams from the drop but since then they have gone on to over achieve for a club of its size. Under the guidance of Byron Walton they finished fifth in the 2011-12 season and lost out in the Play Off Final to Bedworth United. The following season and with James Pritchard at the helm they again finished fifth but lost out to Rugby Town in a Play Off Semi-Final though the season did end with some silverware following a fine win over Chesham United in the Berks & Bucks FA Senior Cup.

2013-14 saw Gary Meakin take over as manager just five days before the start of the season and with only five players on the clubs books – to finish 8th and reach the Quarter Finals of the League Cup was a fine achievement as was a runner up spot in the Berks & Bucks FA Senior Cup, Chesham United gaining revenge for defeat twelve months earlier.

The 2014-15 season saw a partnership with the FAB Academy who provided the bulk of the teams players under the stewardship of Andy Hurley and Nas Bashir. That partnership continued into 2015-16 season with Geoff Warner as manager as The Rams finished in a respectable ninth place whilst the 2016-17 season saw them under joint managers Andy Hurley and Leigh Wooldridge and ended with a 16th place league finish though a run to the Fourth Qualifying Round of the F.A. Cup was a "Best Ever" for SYCOB.

The 2017-18 season saw the return of Gary Meakin as the first manager of the newly named Beaconsfield Town, with Chris Coyle as Chairman. The Rams had virtually a whole new team and, helped by an amazing away record, they kept in touch with the League pacesetters to finally gain top spot on the last day of the season and claim the Evo-Stik League South, East title. Competing at Level 3 for the first time in their history in the newly formed Evo-Stik League South Premier South division, The Rams achieved a highly credible 12th place finish as well as reaching the First Round of the F.A. Trophy for the first time in their history, losing out to eventual finalists Leyton Orient.

The truncated 2019/20 season saw the club expanding with the establishing of an Academy as well as an Under 18 team and plans in place to add further age group sides as The Rams look to build for the future both on and off the pitch.

Our community role

Do you know what we do for the community via our Womens and Junior sections of club? Just have a look – we are more than a Step four club, we are a much larger, envied ONE CLUB. Aylesbury United Football Club.

The Womens and Junior sections are still proudly flying the Aylesbury United flag in and around the town. We are proud of them, and they are proud to do so. The Womens section comprise of 17 teams! 14 play in local leagues with another three 'social' playing teams. This amounts to more than 270 players, lead by 60 coaches and volunteers, more than 1,000 parents and club members receiving news and information about the club via social media and newsletters, etc.
Paul Timms, chair of the Women's section says: ''The demand for women's football is growing enormously, and we are proud to be part of it!''

The Juniors section is currently running 25 teams, with 370 players, 94 coaches and volunteers, week in, week out supporting the youth of Aylesbury, and unfortunately turning kids away as they have no capacity to take more (mainly down to the lack of – or poor quality of – facilities e.g. playing fields).
John Stirzaker, Juniors section chairman, states: ''Without facilities, we struggle, the town struggles and kids suffer, this is why it's so important to 'Bring the Ducks Home' and provided the necessary pitches required.''
Below are some amazing figures highlighting the hours given up by volunteers (of both the Womens and Juniors sections) to give the youngsters of Aylesbury the opportunity of playing football and being part of our club. I would imagine the hours are higher now but based on previous years' activity.

- **675 hours of weekly sporting activity by providing access to training.**
- **27,000 hours of sporting activity by providing access to training over a 40 week season.**
- **13,500 hours of additional sporting activity with participation in weekly fixtures.**
- **13,500 hours of sporting activity for members of the wider community who are members of other clubs and participate as our opposition in fixtures**
- **2,500 hours of sporting activity for club members and the wider community at our annual 'End of Season Football Festival'.**

The minimum total sporting activity that is provided to its members over a 40 week period, by AUJFC & AUWFC, is 56,500 hours.

And not forgetting the Pan-Disability and Walking football sections that also do an amazing job for our club. All sections are always on the look out for more volunteers and coaches, so if you fancy it, or know anybody that would be interested in helping the Aylesbury youth of today (and our potential players of tomorrow) then please make contact.
As ever, I appreciate your support, whether it be the Mini Ducks right through to the first team, I thank you, and I know we would not be as strong as we are without you all.

Graham Read
Chairman, Aylesbury United Football Club

Hannah Asquith, CEO at Youth Concern, said: *"I'm absolutely thrilled that supporters' of Aylesbury United have chosen Youth Concern to be the club charity partner for the season, and we are grateful for your support. We look forward to working in partnership with the club and wish The Ducks all the best this season."*

MENS FOOTBALL

At Aylesbury United FC

The men's first team currently play in the Pitching In Southern League Division One Central. They are managed by Paul Batchelor.

Founded in 1897 – when local sides Night School, The Printing Works and Aylesbury Town merged to become Aylesbury United – the first team turned semi-professional in 1976 and joined the Southern League.

For the past decade the team has played in the Southern League at step four of the National League pyramid.

The club was evicted from our home ground in Aylesbury when the lease expired in 2006, and for the past 19 years has had to play home matches outside the town. For the past eight seasons, the team has played at The Meadow, home of Chesham United.

WOMENS FOOTBALL

At Aylesbury United FC

The women's first team currently play in the Thames Valley Counties Women's Football League Division Three North.

Aylesbury United Ladies was re-established in 2002, following a number of years without a team and the demise of Berkhamsted Ladies. Early highlights including a 7-2 victory over multi-time women's FA Cup winners Southampton Women's FC, and reaching the League Plate Final in 2004. The team picked up its first honours in 2007 with victory in the Thames Valley League Plate Final against Wolverton Wasps by penalty shoot-out. The Ladies won the League Plate again in 2014-15, the same season the club merged with junior side Vale Reds FC, to form Aylesbury United Ladies and Girls.

In 2023 the club changed its name to Aylesbury United Women to better reflect its position as an end-to-end female club for all ages with a clear pathway to the first team.

JUNIOR FOOTBALL

At Aylesbury United FC

Aylesbury United Juniors FC has a long history within the town of providing local youngsters with opportunities to train and play football. We currently provide this provision for more than 350 players from 3 years of age; through to 18.

Our Mini Duck sessions are for 3 to 6 year olds. Age groups U7-U12 play in the South Bucks Mini Soccer Conference where fixtures are considered an extension of training and aimed at development; and age groups U13-U17 play competitively at all levels within the Wycombe and South Bucks Minor Football League.
The club's all inclusive disability section also comes under the Juniors' banner and will play in the Berks, Oxon and Bucks Inclusive League.
As an accredited FA Club we will be able to provide regular football, so whether a player is looking to play for enjoyment, or has ambitions to play at a senior level, we can cater for their needs.

All of our volunteers are subject to FA enhanced background checks and are all encourage to develop themselves as coaches as their players progress.
The club also prides itself in supporting all volunteers including young coaches and referees.
If you are interested in joining Aylesbury United Juniors, please email:
membership@aujfc.co.uk

PAN-DISABILITY

At Aylesbury United FC

The Aylesbury United pan-disability team is a fully inclusive side for both children and adults with physical or learning difficulties.

The side is affiliated with the Berkshire Oxfordshire Buckinghamshire Inclusive (BOBi) League, one of the largest pan-disability leagues in the country.

Sessions take place at Ashmead School in Stoke Mandeville on Saturday mornings from 9am to 10.30am.

If children or adults you know would be interested in playing football, please come along to a session, or get in touch. Siblings, family and friends are also welcome to come along. There's no need to book, just bring suitable clothing, football, and something to drink.

The team was first established by James Byrne when his disabled son wanted to start playing football. He coached the team for four years, and it's now organised by Nick Gurney and his team of coaches.

WALKING FOOTBALL

At Aylesbury United FC

Walking Football was only invented in 2011. As the name suggests, no running – either with or without the ball – is allowed, and it is a no contact sport so all tackling must be done without touching the opponent. Teams are six-a-side, and is open to men over 50, and women over 40.

Our team was formed back in October 2015, thanks to the vision of the late Matthew Doherty. With an enthusiastic bunch aged between 18 and 78 turning out on a cold autumn night, Aylesbury United Walking Football Club was born. The ethos behind the club has always been to allow an inclusive environment for all to take part in the game we all love.

The team's success means there are two teams at Over 50 – the Aylesbury United Greens, and the Aylesbury United Stripes, as well as an Over-60s side, all of which participate in the Thames Valley Walking Football League. As the team is one of the pioneers of Walking Football, they often find themselves up against 'big' names of Football, and previous matches have seen the Ducks take on Watford, Oxford United, and even Arsenal.

Weekly sessions take place at the Aylesbury Vale Academy on Wednesday evenings between 7-8pm. The minimum age is 48 to participate due to the popularity and space available.
If you'd like to take part and get involved, please contact the team via its Facebook, Twitter or Instagram pages.

Stadium Safety

Aylesbury United want to make you awareof measures being taken across all of football, and the National League System (NLS), to ensure everyone can have a safe and enjoyable experience. We are supporting strong action from the FA, and across the NLS to tackle antisocial and criminal behaviours that put all of us at risk

Please remember the following activities are illegal, dangerous, have serious consequences and have no place in our game:

- **Carrying or using smoke bombs or pyros**
- **Invading the pitch or entering the pitch without permission**
- **Throwing objects onto the pitch**
- **Drug use within the football ground**
- **Discriminatory behaviour**

For everyone's safety, we will report anyone carrying out these offences to the police, which can result in a criminal record.

Anyone who enters the pitch without permission and those carrying or using smoke bombs or pyros will now receive an automatic club ban. These measures could also now apply to the parents or guardians of children involved in these activities.

This reflects the seriousness of the risks to fans and staff – pyros can burn at 2000 degrees Celsius and cause life-changing injuries, while entering the pitch endangers players, managers and match officials.

It also impacts the hard working volunteers, who ensure that our special part of the game continues to run.

We know those who commit these illegal acts do not represent the majority of supporters. Please work with us to call out the risks.

Aylesbury United reserves the right to remove or refuse entry to the ground at any time.
