WHO WE ARE

Brimscombe & Thrupp F.C. is a warm, welcoming, and family-oriented football club, proudly competing in the uhsport Hellenic League at step 6 of the non-league pyramid. Our home ground, The Meadow, is a fantastic, idyllic, and picturesque setting where community and football come together.

For the 2025/2026 season we are excited to introduce a new reserves team, this will be integral to support the first team as the club looks to continue its renaissance, bringing fresh energy and ambition to our club. We are dedicated to fostering a positive and inclusive atmosphere for players, supporters, and sponsors alike, whilst building a strong community led spirit.

We would love for you to get involved and be part of our next exciting chapter.

HISTORY

Founded in 1886, Brimscombe A.F.C. coincided with the establishment of the Gloucestershire Football Association.

Initially playing friendly matches, we later joined the Stroud League upon its inception in 1902, becoming its inaugural champions.

Following World War I, Brimscombe emerged as the first champions of the newly formed Northern Senior League in 1922.

Football continued locally during World War II, featuring matches involving military teams alongside 'Brimscombe Wanderers'.

In 1968/69, Brimscombe became a founding member of the Gloucestershire County League. Despite narrowly missing entry into the Hellenic League in 1973/74, we saw a resurgence in the late 1970s through an amalgamation with Thrupp. The 1980s marked a successful period, with us winning several league divisions and cups.

We underwent significant changes again in 2008, sparking another revival that brought several accolades. We achieved runners-up in the Gloucestershire Northern Senior 1 League, clinched the County League title, and emerged victorious in the Hellenic Division 1 West League, gaining promotion to the Hellenic Premier League. Additionally, we triumphed in various cups such as the Stroud Charity Cup, Gloucestershire Challenge Trophy, Hellenic Floodlit Cup, and Hellenic Supplementary Cup.

1950s vs FGR

RESERVE TEAM SPONSOR

£1250

Whilst the First Team Sponsor is already in place for the 25/26 season, there is still a fantastic opportunity to sponsor our newly formed Reserve Team, what better advertisement is there for your Company than to have its name prominently displayed on the front of the Reserve Teams home and away shirts!

Photographs are regularly published in all the local newspapers, social media channels as well as on our website, while many other guest photographers from all over the country are regular visitors to our ground. Our involvement in the FA Vase each season offers national exposure opportunities for your company or brand.

Benefits:

- Your Company name/logo on the front of the Reserve team home and away shirts
- A standard pitchside advertising board (worth £225)
- Full-page match day programme advertisement
- Prominent web-site advertising
- Advertising on social media channels (over 4500 "X" followers)
- 2 Season Tickets, includes post-match hot food (worth over £200)

This package can be modified or expanded to incorporate your own ideas and is available at a very realistic and affordable rate.

PLAYER & MANAGER SPONSORSHIP

£60 PER SEASON

Show your support to a player or one of our management team and receive exposure on our website and social media accounts.

gelengineering
imagine ♦ innovate ♦ implement

Our approach

Gel Engineering is a dynamic and innovative engineering organisation, providing safe and sustainable, value-led solutions in a timely manner.

Our GEL 'family' consists of **proud, passionate** and **highly skilled** people, who through great working relationships with our clients and supply chain, provide forward thinking engineering 'magic', whilst ensuring every project is delivered in a professional, **'no-nonsense'**, practical way. We continually strive to surpass expectations by attracting and retaining qualified, experienced people, whose focus is on engineering excellence and who always listen and are keen to learn.

Our Vision

Our vision is for GEL to become synonymous with quality engineering solutions that marry the experiences of the past with the ideas for the future; making us the natural choice for any organisation that values a flexible, 'holistic' approach to engineering challenges.
