MATCH AGAINST INGLES FC

Welcome to Kings Park where we have a fairly cloudy and dry Saturday afternoon. Today's match sees us take on Ingles FC, a club only three points away from us and a couple point away from relegation. After our solid win against Allexton in the midweek county cup match, we look to stay strong for today's match on home soil and get a crucial three points to ensure we don't fall in relegation danger. Ingles have been in a good bout of form however, winning their last 3 league and cup matches so hopefully the match will be an entertaining one. Enjoy the match and
UP THE SAFF!!

HISTORY OF SAFFRON DYNAMO FC

The club was founded in 1963 by a group of friends playing friendly matches on Saffron Lane Recreation Field (hence the name). One of the original men was Bob King who is still with the club to this day and is now the treasurer/secretary.

In 1976 the club moved to Cambridge Road where they initially rented a pitch from Wellington Vics. With the demise of the Vics in 1984 the ground was purchased by SDFC.

In 1994 SDFC joined the Leicestershire Senior League and over time had steadily built up its youth teams, now operating all the way from U5's to U18's.

In 2011 the club secured funding to build a new clubhouse. More recently a 7v7 state of the art 3G pitch has been installed and the first team secured promotion to the United Counties League having finished runners up in the Leicestershire Senior League in the 2018/19 season.

They are now playing in the Midlands Football League Division One which is Step 6 in the National League System.

HISTORY OF THE OPPOSITION

INGLES FC

Ingles Football Club was established in 1972 and began in Division One of the North Leicestershire League. After early relegation, they quickly rose through the divisions, reaching the Premier Division by 1975–76. The club enjoyed success in the late 1970s and 1980s, winning the Cobbin Trophy twice and finishing as league runners-up.

The 1990s marked a golden era with two Premier Division titles (1992–93, 1995–96), three Cobbin Trophies, and multiple runner-up finishes. After a brief relegation in 2003–04, they returned to the Premier Division and won the Premier Cup twice in the late 2000s. A third league title in 2013–14 saw promotion to the Leicestershire Senior League.

Ingles earned back-to-back promotions, winning the Premier Division in 2017–18 and advancing to the East Midlands Counties League. Following its dissolution in 2021, they moved to the United Counties League, then to the Midland League. In 2023–24, they finished fourth in Division One but lost in the promotion play-off semi-finals.
