MATCH AGAINST LEICESTER ST. AN

Welcome to Kings Park for a boxing day special against local team Leicester St. Andrews FC!! This one should be a good encounter with St. Andrews with them being in decent form and us struggling a little, just inside the relegation zone. We need a win today to hopefully help our new year campaign and make sure we don't fall any further in the table. Leicester on the other hand are challenging at the top for possible playoff positions currently and go into today in 7th position. So, have a drink, hopefully the hangover isn't too bad, grab a spot and enjoy what should be a decent boxing day match!!

HISTORY OF SAFFRON DYNAMO FC

The club was founded in 1963 by a group of friends playing friendly matches on Saffron Lane Recreation Field (hence the name). One of the original men was Bob King who is still with the club to this day and is now the treasurer/secretary.

In 1976 the club moved to Cambridge Road where they initially rented a pitch from Wellington Vics. With the demise of the Vics in 1984 the ground was purchased by SDFC.

In 1994 SDFC joined the Leicestershire Senior League and over time had steadily built up its youth teams, now operating all the way from U5's to U18's.

In 2011 the club secured funding to build a new clubhouse. More recently a 7v7 state of the art 3G pitch has been installed and the first team secured promotion to the United Counties League having finished runners up in the Leicestershire Senior League in the 2018/19 season.

They are now playing in the Midlands Football League Division One which is Step 6 in the National League System.

HISTORY OF THE OPPOSITION

Leicester St. Andrews FC

The club entered Division One of the Leicestershire Senior League in 1985 and earned promotion to the Premier Division after two seasons. St Andrews have since gone on to win the Premier Division title three times. During the 1994–95 campaign, the Drows progressed to the fifth round of the FA Vase.

In the 2013–14 season, the team enjoyed another impressive FA Vase run, reaching the semi-finals.

Along the way, they defeated several Step 5 opponents, including notable away wins at AFC Rushden & Diamonds and East Preston.

1973

The semi-final draw paired the Andrews with the heavily favoured West Auckland in a two-legged tie. The first leg ended in a goalless stalemate, setting up the prospect of a large home crowd for the return fixture at Canal Street. A record attendance of 1,600 watched St Andrews take a 1–0 lead through 16-year-old Leicester-born Brady Hickey. However, the dream ended late on, as West Auckland scored twice from set pieces in the final 11 minutes to halt the Andrews' Vase journey.
