

2014/2015

SENIOR XI SUMMARY OF SEASON 2014/15

The season was a historical one in the history of the football club and we were only goal difference away from completing a treble, had it not been for the team who finished bottom of the league forfeiting both games giving us two 0-0 victories there is no doubt the treble would have been achieved.

Overall we played 37 games in the season and lost just 3 times, once again we were supreme at home losing just 1 game and have now lost just 1 game in 2 full seasons at home.

Without doubt this team is the most special I have ever managed and every single one of the players that played first team football this season contributed to the success of this very tight knit group of players.

Some special results in both cup competitions came in the form of away wins at the top border league sides at Little Oakley and West Bergholt in the County Cup on route to winning the final at Thurrock FC against Catholic United.

The league cup draw was equally tough and wins away at Hannakins Farm with 10 men and Bishops Stortford in the semi final were great performances and in both games we scored 5 goals. The final against Wadham Lodge was an outstanding team display to run out comfortable 4-0 winners.

Individually James Burt was inducted into the hall of fame and he crowned this by having a superb season and winning both awards at the end of season presentation.

Mike Daniels again finished as club top scorer and had another outstanding year and also defensively we were fantastic keeping a lot of clean sheets and having the best record in the league.

Overall 2014/15 is a season that I will never forget and I am sure the supporters will also thank all the players for a lot of highlights.

Darren Hunt
Gaffer

2014/2015

RESERVE XI SUMMARY OF SEASON 2014/15

With a new manager this season proved to be a challenge for the Reserve team. It was also hard for players from the previous season getting to know the new players brought in.

Throughout the season we have progressed fantastically well, the start being a real test for me and the boys. However, we all dug in deep and turned the season round. The inconsistency of the squad through the first few months was challenging but once we got a settled side out, we were a force and picked up big points against some of the top sides. However, we were slightly inconsistent, dropping points against the weaker teams. This is something that we will address during pre-season and look to build on into the new campaign.

We have got a very young and talented group in this squad and that can only help this team and Club get bigger with hopefully a few breaking into the first team in future years. Every game is a learning curve for all of us and I look forward to the future years and challenges with this team.

Hopeful of getting the inconsistency out the way, I am confident that, with the addition of few players, we can kick on and make next season and good season.

Thanks for all the support this season.

John Divall
Reserve Team Manager
