A CHAT WITH THE GAFFER

JAMES WAKELING

Afternoon all and

A warm welcome to players staff and supporters of Shefford Town Campton for todays game.

It's been a tough week for us with back to back defeats starting at home to Sawbridgeworth town and away to Saffron Walden

Tuesdays result was not acceptable putting it as politely as possible, yes we was missing 5/6 players but that's not an excuse when we have a squad more than capable of competing with them but we showed no heart, desire or intensity and that was very concerning to watch. Myself and the players have high standards set and currently we're not quite there yet as a group but we will be and that starts today against a side who have started extremely well winning all 4 of their competitive games and have scored alot of goals along the way, we know it will be tough but if we show what we've lacked in recent weeks then I have full confidence in the boys to get us through to the next round of the competition.

We can't wait to see the fans again who was brilliant against Cockfosters in the previous round and they really pushed us over the line with ten men to get that last gasp winner

Here's to a better performance and hopefully another beer celebration on the sidelines
(hopefully on my side this time)

Enjoy the game
Up the manor
James

HISTORY

Shefford Town & Campton Football Club (The Bluemen) are based in the town of Shefford, Bedfordshire. The team plays its home matches at Shefford Sports Club on Hitchin Road in Shefford and at Campton Playing Fields, Rectory Road in Campton. The club is competing at the 10th tier of the English football league system in the Spartan South Midlands Football League Division One. The club also has a reserve side competing in Premier Division of the Bedfordshire County Football League and u23 and development teams appearing in the same league structure

Originally formed in 1910 as Shefford Town, their first successful period came in the 1950s: starting in 1949-50, the team won two South Midlands League championships and three Beds Senior Cups within five seasons. Subsequently, the club finished as runners-up in the Parthenon League, and won the United Counties League title in 1960-61. Shefford would not match these achievements until the early 1980s, when the club was promoted from the South Midlands League's second tier in 1982-83 and won the league title a year later. After relegation in 1990, Shefford Town folded in 1994. The town remained without a senior football team until 2009, when the club was reformed. In 2010 Shefford Town merged with near neighbours Campton. The club has had success both on and off the pitch in recent years since its reformation, the club were crowned Bedfordshire County Premier Division Winners in 2011-12, 2017-18 and 2018-19. The Bedfordshire County League Britannia Cup was won in both 2011 & 2014, 2019 and the East Beds Charity Cup was won by the Reserve team in 2015. The Club has also finished runners up in the Biggleswade knock-out cup in 2015, 2016 & 2017.

At the end of 2018-19 season Shefford announced its intentions to seek promotion into the Spartan South Midlands Football League, they duly wrapped up the Bedfordshire County League title and passed the relevant ground grading, so the club stepped back into the league it folded out of back in 1994

Under the Stewardship of Kane Dougherty and James Taylor the club topped division 1 during the curtailed season of 20/21 and finally guided us to promotion via the playoffs during the 21/22 season.
