## THE MANOR STRIKES BACK

It all changed at Stansted FC, where we saw a shift in the boys. The squad began to play like they had nothing to lose and **JUST PLAYED FOOTBALL.**

Our goal scorer Celso alongside the squad gave us our first 3-points of the season.

This is when our season started.

Walking away from our game against Athletic Newham with an point - even though that was a game to win - the boys are in this regulation battle now.

No one saw this coming.....

# **A little History..**

**Formed in 1955 by Doris and Gil Medcalf who were previously involved at their local side Eton Manor before moving to Southend-On-Sea, we have been proud members of the Essex Senior League since 1985 and we have been playing at our Southchurch Park home since that same year as well.**

**Our earlier history prior to 1985 saw us join the Southend Youth League in 1959 before moving onto joining the Southend Borough Combination League in 1964. Our time in the Borough Combination was a successful one as we were winners of the Premier Division over six times over the course of the 1970's and 1980's.**

**In 1991, we won our first and only Essex Senior League title with runners up having been achieved twice in 1999-2000 and 2011-12. Our furthest run in the FA Cup was also in 2011-12 when we managed to reach the Fourth Qualifying Round before bowing out to Kettering Town.**

**In 2019, Steven Robinson was succeeded by Jerry Omango as chairman of the club after a seven year spell in charge of the club.**

**Jerry has made several improvements to the club including new stands and perimeter fencing. The club has been built up to 17 teams with the youth section as strong as it has been in decades.**

# A little History..

**The history of Clapton is very much that of a club which has a history and reputation unparalleled in non league football. Founded in 1877 as Downs FC in Downs Rd Hackney.**

**Clapton in 1894 became founder members of the Southern League (Dr Martins) along with Luton Town, Millwall, Reading, Southampton and Swindon. Arsenal were prime movers but left to join the football league whilst Tottenham Hotspurs application was rejected!! The club was one of the original founder members of the Isthmian League in 1905 which was then and up until the early 70s one of the most important semi professional leagues in the county.**

**Clapton's reputation and history is tied to the early days of this league and the prestigious FA Amateur Cup and were twice winners of the league and five times winners of the Cup In 1956 Clapton played in the first floodlit game for an amateur side against Barking at Upton Park in front of 5,000 people. Their best ever FA Cup run was during this time with a 1-1 draw against QPR in 1957 before losing the reply away 1-3 in front of 14,000.**

**With the introduction of the Premier Division, Clapton had a brief change of fortune and won the Division Two title in 1982-83 as well as the Essex Senior Cup in 1983-84 beating Southend Utd . The Essex Thameside Trophy was won in 1983-84 and retained the following year.. Relegation to the newly formed Division 2 North followed in 1984-85. Still the club rallied to win the Essex Senior Trophy in 1988 and lost in the final of the London Senior Cup the same year 0-1 to then conference side Fisher Athletic.**

**However a 7th place finish in 1988-1989 saw a mass exodus of players at the end of the season and two seasons later Clapton were in Division 3 (now Div 2) upon reorganisation of the league.**

**In 2006, restructuring of the Ryman league led to Clapton being placed in the Essex Senior League.**

**Whilst no longer one of the major players on the non league scene the club's youth development is legendary with many of its players passing through its doors and going on to Senior clubs.**

**With Chief Executive Vince McBean at the helm and a strong football and management team, the club is continuing to develop the foundations for the future based on a long-term structure. Whilst no longer one of the major players on the non-league scene the club's youth development is legendary with hundreds of its players passing through its doors and going on to Senior clubs.**

**Since 2012, we have also seen (through the continued drive of management and the development team), the club again starting to make strides again up the league table. Clapton finished in 7th place in 2015-16 and were winners of the Gordon Brasted Memorial Trophy in the same year. The 2016-17 season saw the Tons maintain a strong position in the standings of the Essex Senior League, eventually finishing in 2nd place overall.**

**After a short spell ground sharing with Southend Manor FC in 2019, the Tons have made a new home at the Terence McMillan Stadium in Plaistow, E13 8SD, since 2020-21**
