WELCOME TO SHEFFORD

A very warm welcome to Shefford Sports Club to everyone associated with both teams.

After the rollercoaster end to last season which saw agony, ecstasy and lots of misinformation we are back at step 6 for the 2025/26 season.

We find ourselves in a similar position to where we were at the beginning of last season in the fact that we have had to build an entirely new squad from scratch, it is testament to Jim and his coaching staff that they assembled a squad in the short period from the announcement of our demotion from step 5 to the point we are at now. Although things didn't go to plan and Jim ultimately stepped away from the club, we are grateful for his input during his time as manager

We find ourselves in a relegation scrap with games now running out, we have our work cut out for us if we want to stay in the division, we have welcomed Rob Russell and Chirs Howells to our coaching staff who have brought a fresh perspective and some additional players who will assist our relegation fight.

Enjoy the game and thank you for your support.

CLUB HISTORY

CLUB HISTORY

Between 1897 and 1908 friendly matches were played by a team from Langford against other local villages. Home games were at Boot Meadow, a couple of hundred yards from “The Boot” a former public house which still stands at the south end of the village.

Langford Football Club was formed in 1908 and competitive football began with entry into The Biggleswade and District Junior League for the 1908-1909 season. On Saturday 12th September we played our first match, beating Shefford Town 6-2. We finished 10th of 11 teams, with only Shefford below us. Two years later Shefford were top and Langford runners up.

We finished second for four years out of five, and won our first ever trophy, The Beds Junior Cup, in April 1914 with a 4-1 victory over Luton Rosedale. Sadly three of that cup winning team, and one of the reserves, died during the First World War.

CLUB HISTORY

From 1919-1925, and again from 1935-1949, our home ground was at Vicarage End, next to the River Ivel, at the far north end of the village. In between, from 1925-1935, we played at The Leys, which was much more central. The building of a new housing estate at The Leys forced our return to Vicarage End.

The inter-war years were not very successful, despite the team having some good players, several of whom served us for more than ten years. We won the Bedford and District League for the first time in 1931-1932, and after three defeats in the final of The North Beds Charity Cup collected that trophy in 1928, and also in 1931.

In 1949 we moved grounds again to the new King George V Memorial Playing Field in the centre of Langford, and gained instant success on the improved surface. A wonderful season bought us the “double” of The Bedford League Championship and The League Cup. Our league record was P26 W20 D5 L1 F121 A35 Pts45. We scored two 10s, three 8s, and two 7s, and Johnny Gabitas (league) and “Dud” Dudley (cup) each scored 6 goals in a game, both club records.

We scored two 10s, three 8s, and two 7s, and Johnny Gabitas (league) and “Dud” Dudley (cup) each scored 6 goals in a game, both club records.

CLUB HISTORY

We then won nothing until 1969 when a 7-0 defeat of Brache Sparta secured us the Beds Intermediate Cup. The managerial skills of two former Luton Town winners, Billy Waugh and Roland Legate, bought us a succession of trophies between 1969 and 1976, and only Steve Norris has surpassed them.

Steve's 1988-89 team repeated the "double" success of forty years previously, albeit at the much stronger level of the South Midlands League Premier Division. As of today, this is the highest league (level 5) in which we have competed. Over the last 20+ years we have suffered a few relegations and enjoyed our promotions and many cup successes (see club honours list for details).

Thanks to the vision and hard work of our former Chairman and President, Mr Ted Rutt, assisted by his hard working committee, we were able to move to our own ground at Forde Park in 1984. This is at the south end of the village just over the parish boundary with Henlow, and where we still play today. We purchased the Freehold from Mid-Beds District Council in 1991. A new 106 seater stand was opened 1 December 2007, and standing accommodation for another 100 spectators a year later.

CLUB HISTORY

The pitch was levelled and re-sown in the summer of 2006, and is now one of the best in the league, thanks to the continuing efforts of a number of committee members. We are pleased to have also won the League's Sportsmanship Cup, which covers hospitality as well as conduct throughout the club, on five occasions between 2000 and 2011.

After a successful end to season 2016/2017 season 2017/2018 was a difficult anti-climax. Rob Bates and Paul Donnelly took over the team management full of confidence and apart from a heavy defeat in the FA cup had some reasonable wins in the FA Vase. Unfortunately Rob and Paul decided to call it a day and were replaced by Rob Verdia and Martin Wells, with latter eventually taking the reigns as first team manager in February 2018. Martin continued in the position of Manager for season 2019/2020 assisted by Kylrn Brook-Lynch.

Due to the COVID pandemic the 2020/21 season was cut short, thus resulting in the league becoming null and void. At the end of the 2020/21 season it was mutually agreed that Martin was to be replaced as manager and the club would seek out a new management team. The newly appointed management consisted of Robert Russell (manager), Chris Howells (manager), Stuart Robertson (coach) and Graham Reynolds. The new management came in full of desire and ambition to return the club to winning ways.
