MASTER ABRASIVES

MANAGING DIRECTOR

PAUL BATSON

So here we go: our last home game of the regular season. I cannot believe it has gone by so quickly. Seems like only yesterday we were talking about the new season and admiring the new shirts emblazoned with 'Master Abrasives'. This was a proud moment for our owners, and we are honoured to be sponsoring and supporting a great community-based club.

The truth is out... This piece of articulate script is being written by me on the Thursday before the last away game at Aylestone Park. So I don't know the results from Saturday's games or whether today's match against Easington Sports FC is to be enjoyed as a spectacle or a nail-biting, end of season, 'can we squeeze into play-offs' thriller.

Let's think positively and assume the latter. By today's final whistle we will be celebrating or drowning our sorrows with a few pints. Either way welcome to Easington and enjoy yourselves. My other team, the not so mighty Wolves, at least this season, have six games to go, but do seem to have turned a corner and are playing much better.

I am STILL unsure if all our defence has returned from August Bank Holiday weekend, but at least some have. (You need to have read my column last September to understand that.) Being a lifelong Wolves fan, we learn to take nothing for granted – one more win and a draw should see us safe. Then we can start to think about next season.

This one really has flown by, and my favourite topic – VAR! – has not enjoyed such a high profile, but my opinion of it has not changed. As you know, my fellow director Jamie is a lifelong Spurs fan. So with some delight, (a lot), we took three

points from them last weekend, and it will be on our next board meeting agenda for discussion.

A quick update on my running: I came out of retirement to run the Brighton Marathon with my son and daughter, (their débuts, did very well), and 14,000 other slightly mad people. I remember at 15 miles why I decided 20 years ago to never run another marathon, and at 19 miles it was clear I had not trained enough.

But I completed it! I must admit, at more of an amble than a running pace, and on the finish line I immediately announced my 're-retirement' from full marathon running. Our bodies were never designed to run twenty six miles, (Ed': I agree!), especially at 64 years old. (...at any age! Mad indeed!)

If we make it to the play-offs, you may have the misfortune to read more of my drivel. If not, this is my last column of eloquent words for 2024-'25. I am not sure if I will be asked to contribute to next season's programmes, (Ed': probably), and, if not, I understand why. Only so much the public can take of the ramblings of an old(er) man.

I take this opportunity to thank all the staff and players at DTFC, including my editor (makes me sound like a proper journalist), and I wish all DTFC supporters and their families a Happy Easter and a good summer. Enjoy the game today and come on the lads!

Paul

We welcome players, officials and supporters of Coventry United for today's UCL fixture

Season Review

Well, it's fair to say there was a few bumps along the way this season but so many positives and a few missed opportunities gives us all something to look forward to next season when we again and push for promotion. With Jamie Forest

Having to assemble a completely new team I am very pleased that from the 1st kick of a ball his team has been able to compete and that lead to us equalling our best run in the FA Vase going out on penalties at Erith and Belvedere 5th round. Our league form has seen us always in the top half of the table and in and out of playoff contention and what might have been if them results what got away were different. Last Monday it was the rearranged match at Eynesbury

With each team requiring 3 points in that push for the playoff's to be fair we started on the front foot and although nil nil at halftime we had our chances but their goalkeeper kept them in the game with a couple of good saves. 2nd half and Eynesbury come out with a determination to grab the goal but our resolute defending kept the divisions leading goal scorer Victor O from troubling Patchett and on 90 minutes from a Daventry corner we couldn't squeeze it in from 3 feet out so a share of the points and playoff's now a dream for another season. After today's match we will be doing Players Presentation so don't forget to vote for Supporters player of the Season at the bar inside the club house, this being our final match of the season thanks for your continued support we have good foundations to take into 25/26.

As always would like to thank our volunteers Mark Brown on the gate, George and Ian our Stewards, Club Secretary, Brian Porter and his wife Sue . John Cronin and Mark Wall along with Christo on the Pitch although its looking sorry for itself with our irrigation pump breaking it has not helped and pre season maintenance should have it looking good for July along with Tommy Waldock helping us on that front .

Finally congratulations to the Daventry Hobbs Team who won the Divisional Cup against a strong Stanwick Rover's on 10th April on Penalties this is the first part of a possible treble with The Final of Area Cup 25th April against Peterborough Thorpe Wood Rangers. Then Promotion from DIV 3 of Northants Combination is also in their own hands currently top of the table 6 points clear with 2 games one points from remaining fixtures and have only lost twice

All season I am sure its coming home .

Hopefully, we will have more Silverware with our Reserves side who were playing in the Byfield & Bethell Cup Final against Woodford Utd yesterday afternoon

This afternoon's 1 O'clock kick off sees Jamie and the boys wanting to finish on a high against Easington Sports who were 3 -1 victors in the Christmas fixture..

Don't forget the Club's AGM is on Thursday 22nd May at 7.30 everyone welcome

For the last time this season come on you purples, Steve

DAVENTRY TOWN CLUB HISTORY

Since forming in 1886 Daventry Town Football Club has had a chequered history over its 132 years, from a devastating fire in 2005 which threatened the club's existence to an incredible cup run which saw over 700 fans travel to League 2 Chesterfield in 2014.

Switching to the Northants Combination in 1987, under the guidance of Manager Willie Barrett, the clubs fortunes began to flourish, Barrett leading the club to successive championships in the Northants Combination First and Premier Divisions & in 1989/90 they secured promotion to the United Counties League Division One

Leaving the "Hollow" in the centre of the town in 1990 when the club moved to its current home at the Elderstubbs, the club's fortunes suffered a devastating blow in 2005–06, when the Elderstubbs clubhouse & changing rooms were destroyed by an arson attack.

With the club on the brink of going out of business, Iain Humphrey took the helm & work began to revitalise the club with the introduction of new floodlights, walkways, etc to support the clubs promotion ambitions.

2007–08 was a very successful season for the Town. They won UCL Division One, losing just once, and defeated three Premier division teams en route to the UCL Knockout Cup final, where they lost to Desborough Town

In the season 2009–10, Daventry won promotion to the Southern League Division One Central, by becoming champions of the United Counties League under the guidance of manager Ady Fuller. Daventry Town reached the last 16 of the FA vase, the final of the NFA Senior Cup, beaten by Corby Town by 3 – 2 and the semi – finals of the UCL KO cup before Captain Paul Saunders lifted the UCL championship to secure Daventry Town a coveted place in the Southern League for 2010/11.

Under the guidance of Ady Fuller and assistant Paul Lamb, their first season in the Southern League almost ended with another promotion however they lost in the play off final to Hitchin Town.

Former Aston Villa, Charlton and Republic of Ireland international Mark Kinsella became manager in the summer 2011 however his season long spell was unsuccessful and former Daventry United/Ford Sports Manager Darran Foster was appointed with Neil Champelovier as his assistant in 2012.

Daventry Town made history in 2013-2014 by reaching the First Round of the FA Cup, a visit to Chesterfield's Proact Stadium their reward. They were eventually beaten by 2 – 0 in front of over 700 of their own travelling supporters and a crowd of over 5269. Town also reached the first round proper of the FA Trophy losing 1 0 to Maidenhead United.

Town reached the final of the Northamptonshire Senior Cup - Hillier Cup beating Cogenhoe United, managed by Andy Marks, 3 - 0, Scott Cross (2) and Luke Keen scoring the goals.

Town had been season-long favourites for promotion from the Southern League Division One Central in 2013 - 2014 but the back log of fixtures caused by the cup runs took effect. They lost the promotion play-offs at the semi-final stage at Kettering Town, narrowly beaten 1-0.

Darran Foster resigned as manager October 2014 following budget cuts and was replaced by former Watford, Oldham and Preston star, Allan Smart.

In the Summer of 2015, the club were moved to the Northern Premier League Division One South and with Smart and the players based in the South, he resigned in July 2015.

Darran Foster returned to Daventry Town as Manager just nine months after leaving however he also resigned on Easter Saturday after a 5 0 home defeat to Kidsgrove Athletic.

The Club's Juniors Development Officer Pete Flockhart stepped in as Caretaker Managers with Brian Porter returning as Club Secretary to ensure the club somehow completed their remaining 6 fixtures of the 2015/2016 season.

In a move planned to reset the club's financial problems, Town took voluntary relegation to step 6 football and the club returned to the United Counties League Division 1.

In April 2016, Steve Tubb took over as Chairman and on the 12th May 2016, the club appointed Arron Parkinson and Andy Marks as joint managers. With a zero budget for the season, the team management have worked wonders in turning the club around and winning the UCL Division 1 title, unbeaten at home.

Andy Marks left the club at the end of the season due to family and work commitments. Ian King joined Parkinson as Joint Manager in May 2017.

Town finished the 2017/18 season in 10th position, winning the Buckingham Charity Cup for the first time.

2018/19 saw the return of the Reserves managed by Andy Emery. Ian King left to join Northampton Town Academy. Arron Parkinson took over as Manager with goalkeeper Matt Finlay as his Assistant Manager and Pete Harris coming in a Club Coach respectively.

After an excellent start to the 2018/19 league season and two FA Cup wins scoring 16 goals in the process, the Town went on to win the UCL Premier Division with a 1 1 draw at Pinchbeck United. The club were presented with the trophy on Easter Monday after a 3 0 win over local rivals and pre-season favourites Rugby Town in front of a crowd of 393. They also won the UCL Knock Out Cup by beating Holbeach United 3 1 in the final at Raunds Town. Town then returned back to the BetVictor Southern League Division One Central.

In 2019–20, the club returned to the Southern League, however, the Covid 19 Pandemic meant that they would not complete this or the 2020–21 season.

Sadly during this time, the Town lost three members of the Hobbs family in quick session. Club President, Frank Hobbs died just two weeks after his wife Sarah. Frank's younger brother, Malcolm Hobbs died just three months later. Between them, they had covered just about every position within the club and had given almost 200 years of combined service to the Town.

In 2021–22, the club moved to the Northern Premier League Midlands Division. After a difficult start to the season, Jim Scott joined the coaching team and along with a number of new signings, Town ended the season in 16th place but 15 points clear of the relegation spots.

The club also started a third male adult team playing in the Northants Combination League Division 3. This team was named Daventry Town Hobbs after the sadly missed Hobbs family.

Off the pitch, the club announced that it had cleared all inherited debts since taking over in 2016 and that the club was now debt free.

The 2022-23 season was challenging for Daventry. A slow start in the tough Northern Premier League led to the budget being cut and manager Arron Parkinson left after 6 seasons. Almost all of the players left leaving a scratch side of reserves and youth team to unsuccessfully avoid relegation from the Northern Premier League.

Prior to the 2023-24 season Daren Young was unveiled as First Team Manager. Following an inconsistent season and with only 2 wins in 2024, the club and Young mutually agreed to part company.

Jamie Forrest was appointed as First Team Manger prior to the 2024-25 season where the club would compete again in the UCL Premier Division South. This season also saw the return of the Reserves to the UCL. managed by Jamie Jollands and the u18s NYSL managed by Josh Pyott.

OUR VISITOR'S CLUB HISTORY

The Club was formed in the immediate post-war period of 1945/46 to fulfil the sporting and social needs of the young people of the Easington housing estate in Banbury, many of whom were returning from war service. The Club, then known as 'The Clan', soon prospered, as there was an obvious need for such a facility, and formed a cricket, tennis and a ladies section. Football was, however, the main branch of the Club's activity, and they began playing in the local Junior Leagues as Easington Sports F.C.

The football was played on pastureland to the west of Wykham Lane, and for a few years endured the lack of facilities enjoyed today by almost all clubs. (No water available on site, no real changing facilities to name but two of the privations to be met on a cold winter's afternoon). Fortunately, this situation was soon to change after tireless fund raising by stalwarts such as Gordon Vivash, Tim Fountain and many other committed club members, the prospect of a new ground owned by the Club became a reality.

The purchase of the Addison Road ground and the building of a clubroom, together with the Club's entry to the Oxfordshire Senior League was the beginning of senior football for Sports, and to their credit they proved to be a formidable force at that level. Sports became winners and finalists in the Senior Cup and led the Premier League table on two occasions in the early and mid-fifties. In view of their success at county level the Club sought entry and was accepted into the old Warwickshire Combination, which at that time counted professional and semi-professional teams including Aston Villa 'A' and West Bromwich Albion 'B'.

Although having moderate success in this competition, as with many other amateur clubs; finance played its part in the decision to return to the Oxfordshire Senior League, where the expenses, in particular

OUR VISITOR'S CLUB HISTORY

travelling, were much more in line with the club's limited income. Looking to raise their standards once more, the Club sought entry to the Hellenic League. Subject to certain ground improvements they were readily accepted and remained as members until 2021.

In 2018/19 Ben Milner and squad won promotion to the Premier League being crowned Champions before two Covid affected seasons. A review of the NLS saw Sports move into the United Counties League South and a new challenge. In our first season in the UCLS, Matt Giles managed the squad to 14th with impressive wins including those against Coventry United and Rugby Town.

In 2021/2022 Andy Sharman managed the Development squad to the UHL Division 2 title and OFA Intermediate Cup Final. With Matt Giles stepping down, Andy Sharman was appointed managed with Tommy Kinch and Mark Boyland assisting. Sharman will once again focus on using local Banbury based talent to compete in the UCL, giving a chance to many from the Development and Clan squads. In 2022 the club were awarded Level 3 FA Accreditation, with 38 affiliated teams and over 600 players.

Our youth teams include both boys and girls and our open age section now includes three male, two female, a pan disability squad and over 50's football. We also work in partnership with Oxford United in the Community, offering free Women Wellbeing, Premier League Kick and Primary Stars sessions as part of the programme.

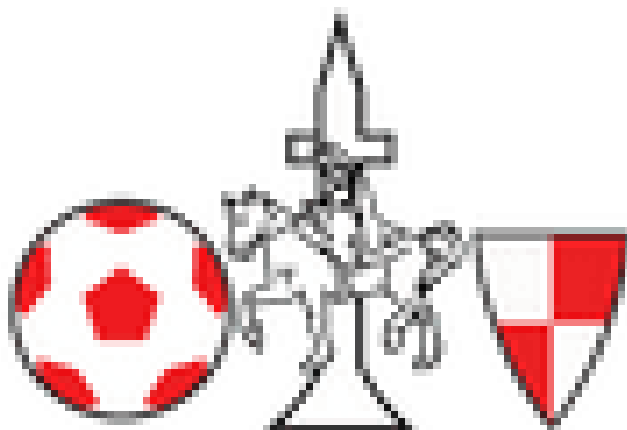

Relocation remains a priority for the committee and trustees to ensure that our facilities match the growth and needs of the club. We remain committed to providing those in the local community with a pathway into football.
