INFINITY FC HISTORY

Infinity FC was founded in 2006 by Jody Hoare, Simon Tribe and Scott Finlayson after having bigger aspirations than our then club BTC. We joined the Winchester and district football league where we played our games out of the King George V playing fields in Winchester. During our 3 seasons in the Winchester league we reached 3 finals, 5 semi finals and were crowned champions in the 2008/09 season which allowed us to gain promotion to the Hampshire 2004 football league. Our first season there we moved our home pitch to Tauntons College in Southampton due to FA ground grading requirements and it was our worst, although we reached another final we finished 2nd from bottom. After spending 3 more seasons in the Hampshire 2004 league, finishing runners up, reaching 2 more finals and a semi final we progressed into the Hampshire premier league division 1 for the 2013/14 season. The first season in the Hampshire premier league division 1 was a tough but successful one where we finished 3rd behind Bush Hill (Millbrook) and Hamble club, the following season we moved ground to Knowle, again due to ground grading, and gained a brilliant chairman, now club president, in Paul Collins which had an immediate effect and saw us crowned champions of Hants one and won promotion to the Hampshire premier league senior division for the 2015/16 season.

All of the required ground work was completed to enable us to secure promotion and our first season in the senior division was a good one where we finished joint 6th place. 2016/17 was a long hard season and although we reached another semi final, we finished 12th place on just 25 points. Before the start of 2017/18 season the club needed a shake up so we brought in highly successful and experienced management duo Dave Fear and Gavin Dobson to work alongside fantastic coach Daniel Piper. This led to a very successful season with numerous Infinity records broken, our highest league finish of (joint) second and another cup final. The 2018/19 season was fantastic, reaching the semi final of the Hampshire cup, winning the Southampton intermediate cup and the league cup whilst shattering club records along the way and agonisingly missing out on league glory on the last day of the season. 2019/20 was all change and the start of our Hampshire league record breaking run of 38 games without defeat. Danny Thompson along with Ollie Bennett took the wheel and steered us on course for success in 2 cups and league glory but for Covid to shatter it all! Top of the league 20 wins in 24 games then NULL/VOID. The next season was really a non starter with less than half the games played before Covid stopped play again! But there was to be a silver lining as we were granted promotion to the Wessex league for the first time in our history whilst having the best PPG over the previous 2 seasons in the Hampshire league.

The club has undergone many changes over the 15 years, but feel we have the structure now to allow us to progress as far as we dare to dream, with Roy Kingdon running the kitchen and gate on match days, Nikki Oliver along with Wickham parish supporting us, Craig Piper running Infinity youth, Andrew Parker being an excellent club secretary/treasurer, Gary Boud as chairman and of course Paul Collins for being a fantastic president, groundsman and sponsor sky is the limit.

Alfold Football Club

A Brief History of 100 Years Old

Alfold Football Club was founded way back in 1921 playing in the original

Formation of the Rudgwick & District League playing under a joint name of Loxwood & Alfold.

This remained until 1923 when the two villages split and the rivalry began.

Loxwood stayed in the Rudgwick League and Alfold joined the recently formed Cranleigh & District League.

Although not the most successful time for the club they did reach two

Consecutive cup finals in 1932 and 1933 losing both to Shamley Green and Cranleigh respectively.

Over the years Alfold have had 5 pitches scattered around the village but now are

Proud to have two of the best pitches throughout Surrey, Sussex & Hampshire.

Recently the club achieved a grant through the Premier League & the FA Facilities

Fund and with the help of The Alfold Sports & Social Club massive improvements

have been made with 4 brand new changing rooms, referees rooms – all with

Individual shower and toilet facilities. Along with these improvements were new Ladies, Gents and disabled toilets along with bay changing facilities.

Alfold have always been a club that thrive on success, being proud winners of

The Surrey County Cup, the West Sussex Premier League and most recent the Chichester Charity Cup, all outstanding achievements for a village side.

2015-16 became a landmark in Alfold Football Club's history with the first team

Playing in the Macron Store Southern Combination Football League Division 2

This is the old prestigious Sussex County Football League. The reserves continue to play in the Brickability West Sussex Football League Division 1 (North).

Alfold struggled in the first two seasons of County football until Matt and Jack Munday took over as Managers since then we have gone from strength to strength with two consecutive promotions, and last year our first as a senior club, we won Division 1 to gain promotion to the Premier league, for which we are extremely proud.

Sadly like everyone Covid hit our club hard, once we could play again things didn't seem to be quite the same.

Managers came and went on a regular bases all chasing that extra bit of Money.

Sadly season 2022-23 was one we all want to forget for many reasons both on and off the pitch, it all came down to a win on the last game of the season and we would stay a Premier side. It wasn't to be and after all our hard work Alfold were relegated back to Division 1. Now on reflection may be a good thing, We just cant compete with these massive budgets of the SCFL Premier League clubs.

We start the new 2023-24 Season with new desires and optimism, we have a new Manager in Yannick Jean who has the same Club ethos at heart, so we all start to dream again, This is a big season for the club as its our Centenary year.

Lets hope come May next year were all celebrating more than just our Birthday.

Good luck to all SCFL Clubs this season, may your dreams come true..
