CLUB HISTORY

Clanfield FC was formed in 1983 with the merging of Clanfield Seniors and Clanfield Boys Club to establish a great link between the clubs and provide a local club for the area. In our relatively short history we have built up a strong infrastructure both on and off the pitch

This has enabled us to run teams ranging from boys and girls youth teams up to senior level for both men and in 2022 our first Women's team.

Until 2020 our home ground has always been Peel Park Clanfield, this changed though when the club entered a partnership with Havant & Waterlooville FC.

The first team now proudly host their home matches at the Draper Tools Stadium.

As a club our most successful period to date was in the 1990's winning the Portsmouth & District League at every level, then joining the Hampshire League in 1997.

The club biggest achievement came in the 1998/99 season with the club winning the Hampshire League Division Three title and the Hampshire Intermediate Cup.

The club briefly joined the Wessex League in early 2000's until the reformed Hampshire Premier League was reintroduced for season 2007/08.

That is where club has stayed until the present day.

The club does however, have ambitions to one day re-enter the Wessex League and we are putting a structure in place to do so.

From the Chairman

MARK GRAHAM

Good afternoon and welcome to our game today. This month we welcome Andover & Winchester, whilst travelling to Whitehill & Bordon, and Locks Heath.

Unbeaten in the league in February, including a 1-0 win against top of the league Andover. Sadly our progress in the Saturday Trophy ended in the semi finals at the hands of Colden Common.

March sees our push for Wessex league promotion hit a crucial point with games against teams in the top half.

The Reserves are looking to maintain their momentum in the league and finish with a flourish in their last 4 games while the womens team aim for a top 3 finish in their first season which will be a great achievement.

The Vets team have a fixture overload coming up, fingers crossed for some players returning from injury and a strong finish from them

Have a great day and enjoy the game!

Regards,

Mark Graham

First Team Review

February was a tough month with the fixtures we had coming starting with our quarter-final game away at Bournemouth Sports and then 3 league games with 2 of them being against top 5 sides. We had a great month going unbeaten and booking a place in the semi-final against league leaders Colden Common which is our next match after writing this

We had a great performance/result to start the month in cup away at to Bournemouth Sports who had 11 wins on the trot and going to give us a real test. We started slow and went behind in the opening 20 minutes but them scoring kicked us into gear and we were outstanding from then on and fully deserved the 2-1 win and a place into the semi-final.

Next was a trip to Andover New Street Swifts who were top of the league and we knew it would be our toughest game in league for a while and on a difficult pitch and typical HPL game with battles all over the pitch.

Olly Long struck a 89th minute winner and our best result of season IMO and that gave a great buzz for the players who fully deserved it. We have clocked up some mileage this month and again we were on our travels to Sway and got a comfortable 8-3 victory and another great 3 points.

Final game of month was against a team we are competing against to gain promotion to Wessex League Stockbridge. Stockbridge came to not lose the game and their plan worked drawing 2-2 in a game I feel we missed a great opportunity to put points between us and them. We never really got going but positives is we did not lose when not being at our best and a good habit to have as a team for what we want to achieve.

Really exciting March ahead with some great games coming up, players have been fantastic and can't wait for the challenge ahead. Thanks again to everyone that volunteers within grassroots to make this happen

Semi Final Defeat

The first weekend in March saw “The Clan” in the semi final of the Hampshire Saturday Trophy taking on last years HPL winners Colden Common. Sadly, a disappointing 1st half display saw Colden take a two goal lead. A strong 2nd half had Colden on the ropes but they held out for a 2-1 win

L4 Teamwear Hampshire Premier Football League 2022-23

Newsletter 28

04-05 Mar 2023

We had one game on Tuesday, a clash between the top of top two of the Senior Division. Locks Heath and Colden Common cancelled each other out, the game ending goalless. At the weekend we had one big cup match, and an almost full programme of league games. In the semi-finals of the Hampshire Saturday Trophy, the all-Senior Division tie was as close as expected, Colden Common hanging on to a two-goal advantage gained in the first half to beat Clanfield 2-1 and reach the final against Yateley United.

in the Senior Division, with first and fourth in cup action, the two clubs in between faced each other at Foxcotte Park. Andover New Street Swifts beat Locks Heath 2-1 (the Swifts winner from B.Morris), and the two are now only separated by goal difference in second.

Stockbridge, in fifth, failed to overtake promotion rivals Clanfield as they could only manage a 1-1 draw at Liphook United, with a late equaliser for the home side. Denmead also failed to take advantage as they lost 3-4 at home to Sway.

At the bottom, last-placed Overton United drew 2-2 with Harvest, who came back from two down with goals from Whitcombe and Jenkins, and they are now level on points with QK Southampton, who lost 1-2 at home to Liss Athletic, whose goals were scored by Stanbridge and Evans. Wiltshire scored for QK. Hayling United also lost 1-2, at home to in-form Winchester Castle, and are now third-bottom, overtaken by Moneyfields Res, who had a good 2-1 win at Whitehill and Bordon, thanks to goals from Porter and Minty-Clarke. Incredibly, the top six all play each other next Saturday!

In Division 1, Infinity's game was off, but nearest challengers Hook failed to take full advantage, being held to a 3-3 home draw by Meon Milton

Hook are now level on points with Infinity, having played a game more. Third-placed Hedge End Town suffered only their second league defeat of the season (the first was at the end of August), going down 1-2 at AFC Netley, played at Follands. Both Netley goals scored by Higby. As a result, Twentyten, big 5-0 winners over second-bottom Lyndhurst, leapfrog them in the table. Whiteley Wanderers moved out of the bottom three with a 1-0 win at Broughton, thanks to a C.Taylor goal

RESERVE TEAM

It was a good February for the reserves as we won three games out of the four played.

First stop was table topping Baffins Milton Rovers at Peel Park. After a very promising start, Alex Chapman put us 1-0 up as Clanfield had the opposition rattled, but a goal just before half-time, saw the visitors go into the break level. In the second half Baffins regained composure, and eventually their class shone through, as they ran out 4-1 winners.

Next up was our last home game of the season against a struggling Hayling United team. Goals from Wilmore Williams, Foster. and Badjie saw us run out with a comprehensive 4-0 win.

Our third game of the season came away to joint league leaders Folland sports who had previously beaten us 6-1 earlier in the season. A brace from Dan Mason and an Alex Chapman penalty saw us take an unexpected 3-0 lead. With 15 minutes to go we conceded a poor penalty which goalkeeper Pulin saved but could do nothing about the rebound as Folland gained belief they were still in the game. A soft direct free kick made it 3-2 and a nervy last 5 minutes but Clanfield kept fighting and managed to hold on for our best win of the season so far.

HAMPSHIRE
Electrical Ltd

Last up in February was a mid week trip to locks Heath under the lights. Clanfield arguably played the best football we have seen this season in the first half and once again went into the break with the lead due to goals from Foster and Sills. In the second half locks Heath upped the pressure, but it was Badjie who scored the 3rd from the spot before locks Heath replied and continued to pile on the pressure. In the dying minutes, a break-away solo goal from Alex Chapman saw us run out 4-1 winners and cap off a great month.

I have been so pleased with the lads application and effort on the pitch and the wins have given them confidence to believe we can go out there and beat anyone on our day.

U13 BOYS

SMALL WORLD SERVICES

A bit of an up and down month in February for the U13's. started with a 2-1 win vs a good Fleur de Lys side, then a really unlucky 1-0 defeat to the league leaders where the boys played some great football and a very good team performance.

Following this was a disappointing 2-1 defeat to Pickwick after being 1-0 up, then to finish the month a brilliant 2-2 draw vs league leaders Moneyfields where they nearly snatched it with the last kick of the game after being 2-1 down with 15 minutes to go.

The main thing is, the boys are enjoying it and playing some nice football, showing a great team ethic but not quite getting what they deserve in results. After a difficult December and January playing only 1 game due to the weather, hopefully the boys are finding their form again and can take this into their last 5 games.

Playing for the Enemy

Johan Cruyff was perhaps the most influential footballer of the twentieth century. His playing career, taking on a talismanic role for both Ajax and Barcelona, and the Dutch national team, saw the development of Total Football, from which possession football became the standard, beating the previously unstoppable Italian catenaccio. As a manager of the same clubs, he developed his style yet further, ingraining it into the young players at both clubs, including a fascinated Pep Guardiola. But lesser known about the enigmatic genius is his time playing for the enemy. With his second spell in Amsterdam coming to an end, but not willing to call time on his playing career, Cruyff made the move no Ajax fan could countenance; he moved to arch-rivals Feyenoord.

Johan Cruyff was on a high in the summer of 1983. Heading into the swansong of a glittering career, he had just helped his boyhood club to a league and cup double, and was looking forward to a final farewell season to round off his time on the pitch. After leaving for Barcelona a decade earlier, and having spent a few years bouncing around the United States, he was home, and he was settled. It was something of a shock, then, when the club informed him that they no longer had a place for him. He had served his purpose, he had won them everything they wanted, and he was being put out to pasture.

At least, that's what his employers in Amsterdam thought. Cruyff was never one to go along with anybody else's plan. He had missed the 1978 World Cup, which the Netherlands had been huge favourites to win, with rumours that he refused to play in front of the Argentinian military junta. Without him, they lost the final to the hosts. With him, who knows what might have been. So, when his club, for whom he was a legend, for whom he had won everything up to and including the European Cup, tried to end his career early, he moved 35 miles to Rotterdam, and signed for their biggest rivals.

Feyenoord were not the same team that had won the European Cup in 1970. Ajax had far surpassed them, and the likes of PSV and AZ Alkmaar were threatening their position, while they spent the first years of the 1980s recording mid-table positions. Not that this encouraged fans, or the staff, that Cruyff should be joining. The press conference announcing the signing was a tepid affair, with Cruyff, his new manager, and the chairman all looking like they wondered if it was a mistake.

The Feyenoord supporters certainly believed so, providing the hostile atmosphere at De Kuip that Cruyff had become used to as an Ajax player, when he ran out as a home player for the first time. 'Feyenoord Forever, Cruyff Never' read the banner some fans hung, and that was on the softer side of the abuse he received.

The way to win fans over, as Cruyff well knew, was playing well. Feyenoord started the season on fire, winning five of their first six games, as Cruyff got to know his new teammates, including a 21 year old Ruud Gullit. It was another shock, then, when they went to Amsterdam. A hostile atmosphere, with a game marred by crowd trouble, saw the hosts run out massive 8-2 winners. But Cruyff was tenacious, and he carried a grudge. He used the defeat as motivation, as Feyenoord responded with a 15 game unbeaten spell. They slipped to defeat against Groningen, not long before the return fixture against their nemeses.

Ajax travelled to De Kuip still hopeful that another win could derail Feyenoord's title bid. But this time, things were different. An early goal from Gullit, and then a lovely finish by Cruyff, set the league leaders on their way. Ajax couldn't get near them, and fell to a 4-1 defeat. Feyenoord wouldn't lose again to the end of the season, wrapping up the title.

Just to add the icing to the cake, Cruyff also led his team through the ponderous rounds for the Dutch Cup. Having won the double with Ajax, and been told that his time with the club was over, he led their faltering arch-rivals to the same achievement. And then, on his own terms, he left the field of play. His influence and his legacy have continued for the forty years since, but his playing days were over.

Enjoy the game.
