Balham FC is run by a Board of Directors: Greg Cruttwell, Derek Fordham and Jennie Molyneux. They are joined on the Club Committee by Zoe Appleton, Len Chapman and Steve Pigott.

The club was originally founded by Greg Cruttwell in 2001 as Balham Blazers FC. It started with one Under 10 team in 2001/02 playing in the London County Saturday Youth Football League. Following on from their success more age group teams have gradually been added and the club now offers a direct pathway in boys' football from Under 7 to Senior First Team semi-professional level at Step 5 in the Football League Ladder.

The club also has an ever-expanding, high achieving, County Cup winning girls section which currently offers football from Under 10 to Under 16 and a pathway into the Senior Women's team who play in the Greater London Women's Football League Division 2 South.

Following a playing ethos of trying to bring a bit of Barcelona to Balham the age group section of the club has been extremely successful to date, winning and being runners up in over 600 League and Cup Competitions, which includes being Champions of London. The club, which has a partnership agreement with Fulham FC, has also been an unprecedented three-time winner of the London FA Charter Standard Community Club of

the Year Award and a four-time winner of the Wandsworth Sports Club of the Year Award.

After nine seasons of age group football between 2001-2010 an Under 18 Youth team was launched. The team played for seven seasons in the Southern Youth League.

The team moved into the newly formed Combined Counties League Youth Section for the 2017/18 season. In 2018/19 the team were League Champions and League Cup Winners and in 2022/23 they were East Division Runners Up.

Following the launch of a Youth team the flagship First Team was founded as Balham FC in 2011. Having won back-to-back promotions in 2011/12 and 2012/13, Balham did the League and Cup double in the Surrey South-Eastern Combination League in 2013/14.

In 2014/15 Balham finished in a promotion position again, in the Surrey Elite Intermediate Football League, however promotion was denied due to Combined Counties League facility requirements not being met. Having moved to ground share with Cobham FC, to meet the facility requirements, Balham finished as Runners Up in the SEIFL in 2015/16 and as a result were promoted to Division One of the Combined Counties League for the 2016/17 season. The club had an exceptional first league campaign at Step 6, finishing in a promotion position for the sixth

consecutive season and winning the London Senior Trophy. In 2017/18 the club had an equally exceptional season finishing 5th at Step 5 in the Premier Division of the CCL and winning the London Senior Cup. 2023/24 will be the club's seventh season at this level after flirting with relegation in 2018/19 and then having null-and-void seasons in 2019/20 and 2020/21 due to COVID-19. Having begun on Wimbledon Extension, before moving to Cobham and then to the Wibbandune Stadium, where the club ground shared with Colliers Wood United, Balham moved again in 2020, this time to the Mayfield Stadium, where the club embarked on a ground share

agreement with AFC Croydon Athletic. Moving location meant having to move sideways in the Football League Pyramid, from the Premier Division of the CCL into the Premier Division of the SCEFL (South East Counties Football League) After one single season in the SCEFL however, the FA brought Balham back to the Combined Counties League for the 2021/22 season, at the same level, in a newly formed Premier League South. Since returning the club has finished 8th in the league in 2021/22 and 9th in 2022/23, a season in which The Blazers (Balham's club nickname) were also Southern Combination Cup Runners Up.

Onceyear Global Ocean is a charitable fund dedicated to the protection and conservation of marine life and ecosystems. We support at least one new project each year, and we aim to engage local communities and youth in the protection of their own environment, connecting individuals, organisations and experts to spread love and awareness about ocean conservation.

Onceyear is born out of a lifelong connection to the seas. Everyone has a particular childhood memory that always sparks good vibes and smiles. For Domenico and Paola, Onceyear founders, the happy place is the Mediterranean and its fascinating sealife. As years went by, the fascination never stopped, yet returning to familiar places started to reveal un-familiar seascapes. Sea urchins, starfishes, octopuses and many other creatures that were once so common became rarities when they didn't disappear altogether. They decided they needed to do something about it.

Our ties with Balham have deep routes. Dom, who cofounded Onceyear with his wife Paola, has coached goal keepers at Balham FC for several years. When Dom couldn't continue with his coaching commitment he knew he would never be too far away from the club. When he started an organisation focusing on young people and communities, Balham immediately sprang to his mind. Matching the force for good that sports can have with the passion for the oceans would only be a winning bet. We aim to bring love for the ocean much further than the coastline, even to the football field!

This year we are supporting the Manta Trust, a UK entity that addresses Manta conservation challenges through three key pillars: research, education and collaboration. The project supported by Onceyear Global Ocean is focused on education and awareness. It aims to engage, inspire, inform local communities about marine environment, blue issues and impact on wildlife, empowering them to take action for the oceans.

You will see us on Balham's platforms, but look out for beautiful images and videos on Onceyear's insta. And this is just the beginning, we are working to bring Mantas to your club...

GUILDFORD CITY

1921 - 1974

In May 1921 Guildford were accepted into the Southern League, the equivalent of today's National League. 1927 saw Guildford become a Diocese and coupled with the planned cathedral the club was renamed Guildford City. In 1928-29 City were drawn at home to Queen's Park Rangers in the FA Cup First Round proper and won 4-2 in front of almost 8,000 spectators. The immediate pre-war years saw another famous FA Cup victory, this time over Reading, whilst 1937/38 saw Guildford City lift the Southern League Championship trophy for the first time. The following year a record crowd of 9,932 spectators crammed into Joseph's Road to watch an epic FA Cup First Round replay versus local rivals Aldershot. In 1951, City sold future England cap Jimmy Langley to Leeds. Another League Championship was achieved in 1955-56, and then in 1967-68 Guildford embarked upon a memorable FA Cup run. Leading 2-1 at Brentford in the First Round proper, the match was abandoned due to snow. A 2-2 draw in the rearranged fixture saw 7,289 fans cram into Joseph's Road to roar City on to a famous 2-1 victory in the replay. A further 8,774 saw City fall narrowly to Newport County in the Second Round, but the heroes of that era, players like Tony Burge and long-serving Darby Watts, will long be remembered. In 1974 on-going financial problems came to a head and it was announced that the Club was to merge with Dorking. Subsequently the final game at Joseph's Road was played on 12 February 1974, when City beat Folkestone 2-0 in front of 625 fans. The club limped on for a further two seasons playing as Guildford & Dorking before finally succumbing on 9 December 1976.

1996 – Present

After years of discussions, the club re-emerged as AFC Guildford in 1996 when the then Mayor of Guildford John Woodhatch persuaded Burpham

FC to change its name and move to the Spectrum Leisure Centre. After a brief spell in the Surrey Premier League, Guildford joined the newly formed Combined Counties League, winning Division One in 2003-04. After 12 months as Guildford United, the club was re-named the historically significant 'Guildford City' after an absence of thirty years. 2007-2008 saw City claim a runner up finish in the Combined Counties Premier League, under the management of Scott Steele and Lloyd Wye. Then saw a period of struggle which was halted by the inspirational appointment of Kevin Rayner who took charge in spring 2009. Rayner's second season saw a good run in the FA Vase, an incredible FA Cup victory at Isthmian Premier Tonbridge Angels, but also the CCL Premier Division Championship. A second CCL Championship was gained in 2012, resulting in an emotional return to the Southern League after a gap of 38 years. That first Step 4 season saw a creditable ninth place finish in the Central division. At the conclusion of 2012-13 Rayner departed for a new chapter in his career. In November 2013 Rayner returned to lead an ultimately unsuccessful battle against relegation. After a poor start to the 2014-15 CCL season, Kevin Rayner departed in November to be replaced by local coach Donovan Chislett who ultimately saved the club from relegation in an exciting climax to the season. Chislett himself departed in September 2015 to be replaced by former Godalming & Farncombe manager Dean Thomas. After exactly 12 months Dean departed to be replaced by his assistant Steve Dormer. Dormer in turn saw the 2016-17 season out before departing to be replaced by his assistant Chris Balchin. The season's highlight had been a Surrey Cup semi-final appearance against Woking in front of a record Spectrum crowd. After four seasons Balchin departed in December 2020 to be replaced as part of a major club restructure by ex-Staines Town manager Paul Barnes whose tenure proved to be short lived.

Pete Ruggles took the reigns for one year before the popular Tristan Rees, a former assistant under Chris Balchin, took charge in May 2023.

GUILDFORD CITY PLAYER PROFILES

Tristan Rees (Manager): Tristan originally gained managerial experience at Merrow in step 7, before joining Guildford City where over several years he held coaching, assistant manager and caretaker manager roles at the club. After holding coaching roles at Farnham Town and Westfield, Tristan re-joined City in May 2023 as first team manager.

Chris Adams (Coach): A former City U18 coach who also acted as first team goalkeeper coach during the 2021-22 season. Subsequently Chris has been part of the coaching team at Farnham Town and Sheerwater where he kept his hand in by making three appearances between the sticks.

Muhammed Sher (Coach): He joined Pete Ruggles's management team at City in December 2022 and is staying in past for the 2023-24 season. defender who signed for City in June 2023. Her formerly played for Sheerwater where he played in the reserve side.

George Fox: An impressive young defender who signed for City in July 2023 on dual registration from Eastleigh. A fully committed player who leads by example.

Nathaniel Mensah: A striker who first signed for

Guildford from Spelthorne Sports in July 2021. He has returned this season after spells at Westfield and Ashford Town.

Campbell Scott: The single remaining player from last season's squad. A former Leatherhead defender who struggled for first-team opportunities after graduating from their U21s. He first signed for City in September 2021 and re-joined in December 2022.

Callum Sullivan: An 18-year-old defender who is a tigerish member of the defence. He formerly played for Westfield U23 side. He also possesses a very useful long throw.
