Balham Football Club was formed in 2011 in order to provide player progression into open age football for the hugely talented, high

achieving age group teams of Balham Blazers FC, which was founded by Greg Cruttwell in 2001. Having won back-to-back promotions in 2011/12 and 2012/13 Balham did the league and cup double in the Surrey South Eastern Combination in 2013/14.

In 2014/15 Balham finished in a promotion position again, in the Surrey Elite Intermediate Football League, however promotion was denied due to Combined Counties League facility requirements not being met.

Having moved to ground share with Cobham FC, in order to meet the facility requirements, Balham finished as runners up in the SEIFL in 2015/16 and as a result were promoted to Division One of the Combined Counties League for the 2016/17 season.

The club had an exceptional first league

campaign at Step 6, finishing in a promotion position for the sixth consecutive season and winning the London Senior Trophy.

In 2017/18 the club had an equally exceptional season, finishing 5th at Step 5 in the Premier Division of the CCL and winning the London Senior Cup.

2021/22 will be the club's fifth season at this level after flirting with relegation in 2018/19 and then having null and void seasons in 2019/20 and 2020/21 due to COVID-19.

Having begun on Wimbledon Extension, before moving to Cobham and then to the Wibbandune Stadium, where the club ground shared with Colliers Wood Utd, Balham were on the move again in 2020, this time to the Mayfield Stadium, where the club has embarked on a two-year ground share agreement with AFC Croydon Athletic. Moving location meant having to move sideways in the Football League Pyramid, from the Premier Division of the CCL into the Premier Division of the SCEFL (South East Counties

Football League)

After one single season in the SCEFL however, which was curtailed due to COVID-19, the FA brought Balham back to the Combined Counties League for the 2021/22 season, at the same level,

in a newly formed Premier League South.

The 21/22 season we were back in the Combined Counties League Premier South – and great to play against some of the teams we have faced many times before as well as some new ones.

Keating Estates are an independent estate agency with a simple, fair and friendly approach to selling and letting property. Completely south London focussed, we combine our local knowledge with a truly personal service to get you the best possible value from your property.

Starting out in Clapham and Brixton, we grew steadily through recommendation and word of mouth, which is where a substantial amount of our business still comes from today. We now have five offices, their locations carefully chosen to enable us to sell and let across our core areas with the greatest efficiency.

We've been part of the south London community for over two decades, often dealing with the same properties, on the same streets, time and again. This means we can offer you a truly informed view of the local market and are focussed on getting you the best possible price for your property.

South London is also home for most of us here too, and we're proud to be involved with some brilliant community events in and around our offices locations. Beginning with the Haverhill Road Street Party, 14th September.

We're really looking forward to continuing to support our communities as opportunities arise and are delighted to be the new main sponsors of Balham FC!

We asked Chat GPT for a match report in the style of Raymond Chandler:

### **Balham 1 - 0 Thatcham Town**

*Imperial Fields, October 1st, 2025 Attendance: 39 souls who knew trouble when they saw it*

It was the kind of night that made a man reach for his coat and his conscience. The floodlights buzzed like bad alibis, and the pitch glistened with secrets. Balham were the gumshoes in black, trench coats buttoned, eyes narrowed. Thatcham Town? They were the patsies, walking into a setup they didn't see coming.

The clock had barely ticked past twenty-one minutes when Dan David-Balham's captain and the kind of player who'd stare down a hurricane and ask for a light-found the net. A low drive, no frills, no mercy. It wasn't pretty, but neither is justice.

From there, the game turned into a street brawl dressed in football boots. Substitutions flew like

switchblades in a back alley: Chowdhary for Boylan, Hue-Sang for Chapman, Smith for Thorp. Each change was a new chapter in a book nobody wanted to finish.

Thatcham tried to claw their way back, but Balham's backline was tighter than a bookie's smile. Kojo Kyei and Jake Henry played like they'd been burned before and weren't about to let it happen again. James Smith kept goal like a man guarding state secrets.

By the 85th minute, the

bodies were piling up— figuratively speaking. Staniford came on for Barker, but it was too late. The case was closed. Balham had the win, and Thatcham were left holding an empty

file and a long walk home. It wasn't a classic. It was a cold, hard truth wrapped in ninety minutes of grit. But in this town, sometimes that's all you get.

# EVERSLEY & CALIFORNIA

Eversley FC was originally formed in 1910, but returned to play in Eversley Village in 2008 and were a founder member of the Surrey Elite Intermediate League, with the Boars becoming Champions in Season 2008-9 (on goal difference). The following season Eversley joined the Combined Counties League in Division One finishing mid table in their first season.

California Youth Football Club was formed in 1975 when a group of parents brought together an Under 8's team based in the California area of Wokingham, Berkshire. The Club has grown, expanding to become one of the largest youth football clubs in the area and is now providing foundation and youth football for all age groups. In 2000 first Berks 8 Bucks FA affiliated club in the area to be awarded the FA Charter status, also winning the South of England FA Charter Merit Award in 2002; it is currently an FA Charter Development Club. California FC introduced girls' soccer to the area in 2000. California's Youth FC established strong links with Eversley FC with the 2 clubs merged in 2012 to form Eversley & California Football Club moving to the Boars Den, where we play our games today. The club is now providing football coaching and matches for all abilities and the Junior Section runs an annual tournament supported by teams from far afield, soccer schools for children aged 5 and under and runs holiday soccer camps

Playing in the CCL in recent seasons, the 2012/13 season saw the Boars finish in second place, but due to ground grading requirements were prevented from moving up to the CCL Premier Division and since

then have consistently finished in the top half of the division, only missing out on promotion by a narrow margin in 2015/16 and 2016/17 seasons.

A new Exec Committee was appointed in 2017, and the period since has seen the adult section of the club grow, with the introduction for the 2017/18 season of a Reserves / Development side, playing in the highly rated Suburban League in 2017/2018. This has allowed us to implement a defined Player Development Pathway by creating a training program and squad structure that allows the youth team players from the Junior Section under 16's and upwards, to train together with Development and First Team players enabling a consistent style of coaching and play throughout the club. The benefit of this is huge and has seen players who have been with the club since they were 6 going on to play regular first team football.

2017/18 saw the first Ladies side at Eversley, playing in the Thames Valley Counties Women's Football League Division One, finishing 4th in their first season, a great achievement. The Ladies have continued their quest for success and in the curtailed 19/20 season they reached the final and won the Hampshire County Intermediate Cup, 2019/20 also saw the introduction of Veterans Football, with many of the team who secured promotion to the Combined Counties League in 2009 returning to the club to play their football, albeit at a slower pace!

The extended ground improvements, which have been completed in the last 10 years, gave us the required ground grading to

allow our First Team to be invited to enter the FA Cup for the 2017-18 season, for the first time in the club's history. Unfortunately falling at the first hurdle and going out at our first attempt. This game saw a player who started as an under 6 at the club's Soccer School play FA Cup football, exactly what football dreams are made of!

The 2018/19 season saw The Boars just miss out on qualification for the first-round proper of the FA Vase, having taken the scalp of Lymington Town, the week before Lymington played in a televised FA Cup game. The First Team reached the League Play-offs in both the 2021/22 and last season, losing in each semi-final and in the same 23/24 season reached the second-round proper of the FA Vase.

After a fairly low-key start to the 24/25 Season which saw the team in 11th place just before Christmas, the team went on an incredible run securing a play-off place. Beating Penn & Tylers Green FC in the Play-Off's Semi Final, the team went on to beat Westside FC in the final, securing promotion to Step 5 for the first time and importantly another coveted FA Cup entry.

The club has now laid firm foundations which will allow a sustained period of development, as we plan for the future, our Reserve side now play in the Hellenic League, with our u23's playing Suburban League football, both providing the competitive football to challenge and aid the development of our players.
